

Overview of Service Categories
Under the RWCA – Definitions,
Integration, and Evaluation

HIV Health & Human Services Planning Council of New York
Needs Assessment Committee – October 9th, 2014
Wilbur Yen, LMSW/MPH
Program Planner, NYC DOHMH

+ Agenda

Ryan White Part A Service Categories

1. Service category definitions
2. Service categories and the care continuum
3. Service category evaluation

+ Ryan White Services

Purpose of Part A Service Funds

- Ryan White Part A services are described within the legislation and defined in the HRSA HAB Policy Notices
- Use of Part A funds are used to support
 - Core medical services
 - Support services that are needed by individuals with HIV/AIDS to achieve medical outcomes related to their HIV/AIDS-related clinical status.

+ Ryan White Services

Prioritization of Part A Service Funds

Ryan White services are NOT a full-system of care.
We are a gap-filler.

+ Ryan White Services

Prioritization of Part A Service Funds

- Service category prioritization is conducted by the Planning Council's **Priority Setting and Resource Allocation Committee (PSRA)** based on the following:
 - Payer of Last Resort (15%)
 - Ryan White Parts B, C, D, and F; Medicaid, Medicare, HOPWA, and HASA
 - Access/maintenance in care (35%)
 - PLWHA prioritization (25%)
 - Service gaps/emerging needs (25%)

+ Ryan White Services

Prioritization Case Study: EIS HIV Testing Services

- In 2010, New York State's Public Health Law was amended to require hospitals and primary care providers to **offer an HIV test to all patients** between the ages of 13 and 64.
- City Tax-Levy, other Ryan White Parts, and CDC funding provides **over \$10 million in funding** for routine HIV screening, targeted testing in nonclinical settings, and prevention services.
- In GY2014, some funded testing contracts **continued to have challenges** with identifying PLWHA who are unaware of their status and with linking these persons to HIV primary care.
- Based on poorer performance of some contracts and availability of other sources of funding for HIV testing, in May 2014, the PC **reduced funding to EIS by \$4.7 million**, which has resulted in contract reductions and terminations.

+ Ryan White Services – Definitions

HRSA **Core Services (12)**

HRSA **Core Services (8)** funded in the EMA

ADAP	Early Intervention Services	Health Insurance Premium and Cost-sharing Assistance	Home and Community-based Health Service
Hospice	Substance Abuse Services - outpatient	Local AIDS Pharmaceutical Assistance Program (LPAP)	Medical Case Management

+ NYC 2012 HIV Care Continuum

As reported to the New York City Department of Health and Mental Hygiene by June 30, 2013

+ Evaluating RW Services in the EMA

A full team effort

- DOHMH Care and Treatment Research & Evaluation Unit
 - *2014 Needs Assessment for HIV Services (in collaboration with Needs Assessment Committee)*
 - *Comprehensive strategic plan reporting*
 - *Coordination and analyses of data for Ryan White Application*
 - *Bi-annual client satisfaction surveys*
 - *Part A RSR coordination and oversight*
 - *Ryan White Part A economic evaluation*
 - *eSHARE reports (retention, CD4, VL, agency extracts)*
 - *Research (ex. Care Coordination effectiveness)*
 - *RW Quality indicator analyses*
 - *Refreshable reports for Technical Assistance Project Officers*

+ Evaluating RW Services in the EMA

A full team effort

- DOHMH Care and Treatment Technical Assistance Unit
 - *Program model experts*
 - *Conduct fidelity assessments*
 - *Provide clarification on how the program may best utilize its resources, functions, and recruitment activities*
 - *Organize Providers Meetings in order to share best-practices*
 - *Conduct staff training and capacity building*

+ Evaluating RW Services in the EMA

A full team effort

- New York State AIDS Institute – Quality Management Program
 - *Quality Learning Networks – Indicator development and monitoring*
 - *Quality Improvement trainings (ex. QI. 101)*
 - *Quality Coaching/Consultation*
 - *Quality Conference*
- Public Health Solution – HIV Care Services (NYC); Westchester Department of Health (Tri-County)
 - *Service utilization*
 - *Service category scorecards*
 - *Contract monitoring and compliance*

+ Evaluating RW Services in the EMA

Comprehensive Strategic Plan Goals and Population Needs

- Comp Plan Goal 1: Increase the number of individuals who are aware of their HIV status.
- Comp Plan Goal 2: Promote early entry into HIV care.
- Comp Plan Goal 3: Promote optimal management of HIV infection.

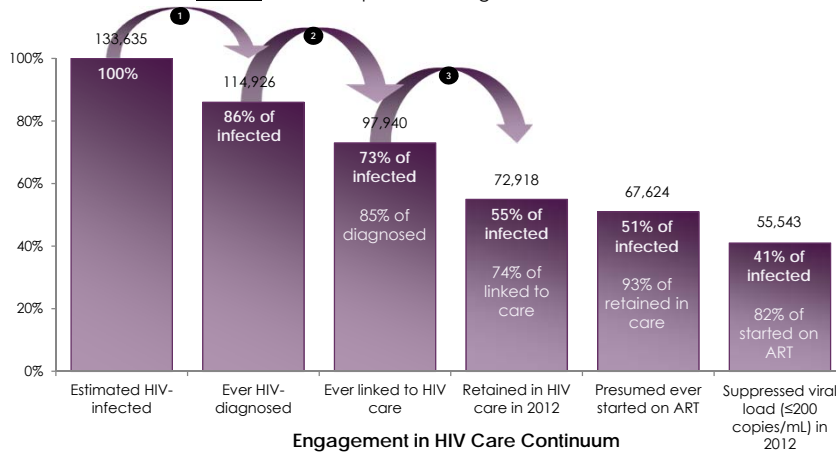

+ NYC 2012 HIV Care Continuum

2012-2015 Comprehensive Strategic Plan Goals and Population Needs

Goal 1: Increase the number of individuals who are aware of their HIV status.

Goal 2: Promote early entry into HIV care.

Goal 3: Promote optimal management of HIV infection.

As reported to the New York City Department of Health and Mental Hygiene by June 30, 2013
