#### **Agenda Item #1: Welcome/Introductions/Moment of Silence**

Conducted.

#### **Agenda Item #2: Line by Line Editing of the Oral Health Service Directive**

Read through of directive with grantee's edits for committee input/edits and suggestions. Following are significant edits/input from the committee:

- Inclusion of mandated HPV screenings and other oral cancers
- Question of whether and where to reference health history to appropriately treat a client on multiple medications
- Explanation of how case management will function to comply with HRSA regulations
- Inclusion of telehealth
- Inclusion of appropriate licensure requirement

Directive approved unanimously by the committee.

No public comment.
